Inclement Weather Policy

In the event that severe weather affects the ability of the service to continue the following policy will apply:

When a storm is forecasted for the region and local schools are closed Kings Point-to-Point Transit Society will cancel all transportation for that day. Poor driving conditions prove unsafe to carry passengers.

- ❖ The decision will be made early in the morning and an announcement will be made on all the local radio stations (AVR. Magic 94.9 & K-Rock 89.3) sometime after 6:30a.m., it will also be put onto AVR's website, informing the general public of the cancellation.
- ❖ There will be a taped message on the Kings Point-to-Point Transit Society office answering machine at 902-681-2846 to notify incoming calls of the cancellation.

All appointments are the responsibility of the client to rebook.

Drives for Medical Appointments going to Halifax may or may not be cancelled depending on the road conditions at the time of departure. If the ride is cancelled the scheduled driver will contact the client.

If clients have any questions, please do not hesitate to call 902-681-2846 for the latest details concerning our storm policy.
