### Operating Principles

These principles are in place to ensure that your transportation experience with Kings Point-to-Point Transit Society is an enjoyable one.

- ❖ Please be ready when the driver arrives to pick you up. Please remember that punctuality is important as we have schedules to maintain.
- ❖ All drive requests **MUST** be made through the office.
- ❖ All drive requests must be scheduled **more than 24 hours in advance during office hours**. Bookings are on a first-come first-serve basis.
- ❖ Cancellations must be made **at least one hour** prior to the scheduled pick up time, otherwise full trip fare will be charged.
- ❖ Drivers will pick you up and drop you off at pre-arranged destinations. Please let the office know if you need to make additional stops.
- ❖ Seatbelts must be worn at all times or present a doctor's certificate to the driver. If a client does not wear their seatbelt during transport, any seatbelt fines are the responsibility of the client or their caregiver/guardian.
- ❖ All trips are to be paid in full to the driver, unless other arrangements have been made.
- ❖ Wheelchair clients **must** have footrests secured on their chairs or transport will be denied.
- ❖ Kings Point-to-Point Transit Society operates in a climate of courtesy and mutual respect. Please be polite and courteous at all times.
- ❖ Kings Point-to-Point Transit Society has a No-Smoking policy in all vehicles.
- ❖ Remember No Scents is Good Sense!
- ❖ Please do not misuse or abuse the services offered by Kings Point-to-Point Transit Society.

**In the event a client does not abide by these operating principles Kings Point-to-Point Transit Society reserves the right to refuse service.**

Thank you in advance for your cooperation

### **Inclement Weather Policy**

In the event that severe weather affects the ability of the service to continue the following policy will apply:

When a storm is forecasted for the region and local schools are closed Kings Point-to-Point Transit Society will cancel all transportation for that day. Poor driving conditions prove unsafe to carry passengers.

- ❖ The decision will be made early in the morning and an announcement will be made on all the local radio stations (AVR. Magic 94.9 & K-Rock 89.3) sometime after 6:30a.m., it will also be put onto AVR's website, informing the general public of the cancellation.
- ❖ There will be a taped message on the Kings Point-to-Point Transit Society office answering machine at 902-681-2846 to notify incoming calls of the cancellation.

**All appointments are the responsibility of the client to rebook.**

Drives for Medical Appointments going to Halifax may or may not be cancelled depending on the road conditions at the time of departure. If the ride is cancelled the scheduled driver will contact the client.

If clients have any questions, please do not hesitate to call 902-681-2846 for the latest details concerning our storm policy.
